Projects

1. Medical upgrade to ALS. Medications, King airways, intravenous access equipment have been consolidated into an ALS bag. Other airway equipment, intraosseous access cannulas and a driver will be included when they arrive.
2. Your Heart Matters: Pit crew CPR each quarter
3. AFG Grant. RIT training will be complete in July. MSA SCBA gear ordered and will be delivered when ready. Grant closeout will take place after all of these are done.
4. Training and equipment for Reserve Members is in progress. The next step is to train them in tender filling site pump operations. We need to order several signs to mark locations. Radios are being repaired and pagers are ordered, but both are taking a very long time to complete.
5. Auxiliary training will likely occur in August.
